

Dental Staffing Services of Connecticut

Agreement

All dental auxiliaries placed under this staffing agreement are considered employees of Dental Staffing Services of Connecticut, and as such will be compensated directly through Dental Staffing Services of Connecticut. All requests for services must be arranged through Dental Staffing Services of Connecticut.

Dental Staffing Services of Connecticut assumes responsibility for payroll and tax withholding for the auxiliaries.

The client will pay Dental Staffing Services of Connecticut an hourly rate for the services provided by the auxiliary.

There will be no additional charges other than Connecticut State sales tax to the client for the services of the auxiliary.

When requesting placement, the client will specify half-day services or full day services. The client will be charged a minimum of four (4) hours for a half day placement or a minimum of eight hours for a full day placement.

Dental Staffing Services of Connecticut will bill the client directly. The invoice is payable upon receipt. Any account in arrears past 45 days will accrue 2% interest.

In the event that permanent placement is desired by the client and the auxiliary, a fee of 2.0% of the projected yearly income will be payable to Dental Staffing Services of Connecticut if the auxiliary has worked in the practice within the twelve months prior to hiring.

A fee of 3.0% of the projected yearly income is payable to Dental Staffing Services of Connecticut if hired solely for recruitment purposes, and an auxiliary is placed in the client's practice.
